SUBJECT	MICROFILM																																										
SUBJECT OPERATIONAL REDWOOD LIAISON -- [] Briefing of LfV/Bavaria																																											
ACTION REQUIRED - REFERENCES																																											
<p>BOMA 28552, 15 December 1964</p> <p>As requested in paragraph 4 of reference we are happy to report that [] talk on the RUS made a most favorable impression on the senior officials of the LfV/Bavaria. Several attendees have indicated to [] their pleasure and gratitude at being exposed to such top level, operational information. It is fair to conclude that the LfV officials who had the opportunity to hear [] were deeply impressed with KUBARK's expertise with regard to the Soviet target. It can only redound to our benefit in increasing their willingness to seek our guidance and support when they are faced with an operational problem. A list of LfV officials attending is attached to this dispatch. The formal presentation which was given on 11 November was followed by a lunch attended by [] and the following senior LfV officials: President Sturm, Josef Schreieder, Albert Hofmann, and Albert Müller.</p> <p style="text-align: center;">[] []</p> <p>Attachments: List of LfV officials</p> <p>Distribution: 2 C/SR w/att 1 EE w/att 1 Bomb Ops Base w/att 1 COS/G/P w/att 1 COS/G/B w/att 1 CSB/P w/att</p> <p style="text-align: center;">CS COPY</p> <p>Group I Excluded from Automatic Downgrading and Declassification 32W.2.64</p>
